**A RESPECTABLE
ENGINEERING &
CONTRACTING
COMPANY**

Company Profile

Al-Badeel is an established engineering and contracting firm founded in 2006 by a collective of experienced leading figures in the construction industry of Saudi Arabia.

more than 15 years, the proficiency of the firm's founders, amplified by their collaboration with international and reputable contractors, has helped to create harmony and strong bonds in its high-profile projects placing Al-Badeel as a distinguished pioneer in the construction and industry in the Saudi Market. We are focused on developing and constructing superior quality projects that positively impact the lives of individuals and communities.

We take pride in our dedication to continuous improvement, as we believe that progress and perfection are achieved through unwavering and relentless effort.

VISION

We aim to revolutionize the contracting industry in the Kingdom of Saudi Arabia by facilitating a seamless link between our clients and unparalleled expertise in structural, infrastructural, architectural, MEP execution works, and we are passionate to be a big and effective part of Saudi Arabia's 2030 Vision.

MISSION

our mission is resolute: to deliver unrivaled quality and set new industry standards within tight timelines, a feat that is rarely accomplished in our field.

We refuse to settle for meeting our clients' expectations; instead, we aim to surpass them, establishing a new benchmark for excellence in the contracting industry.

VALUES

we are wholly dedicated to serving our clients throughout every stage of their project's journey.

We take immense pride in our ability to consistently provide exceptional results that ensure our custom complete satisfaction.

HEALTH, SAFETY, & ENVIRONMENT

We prioritize the well-being of our employees, subcontractors, clients, and visitors, embodying a culture that places safety above all else.

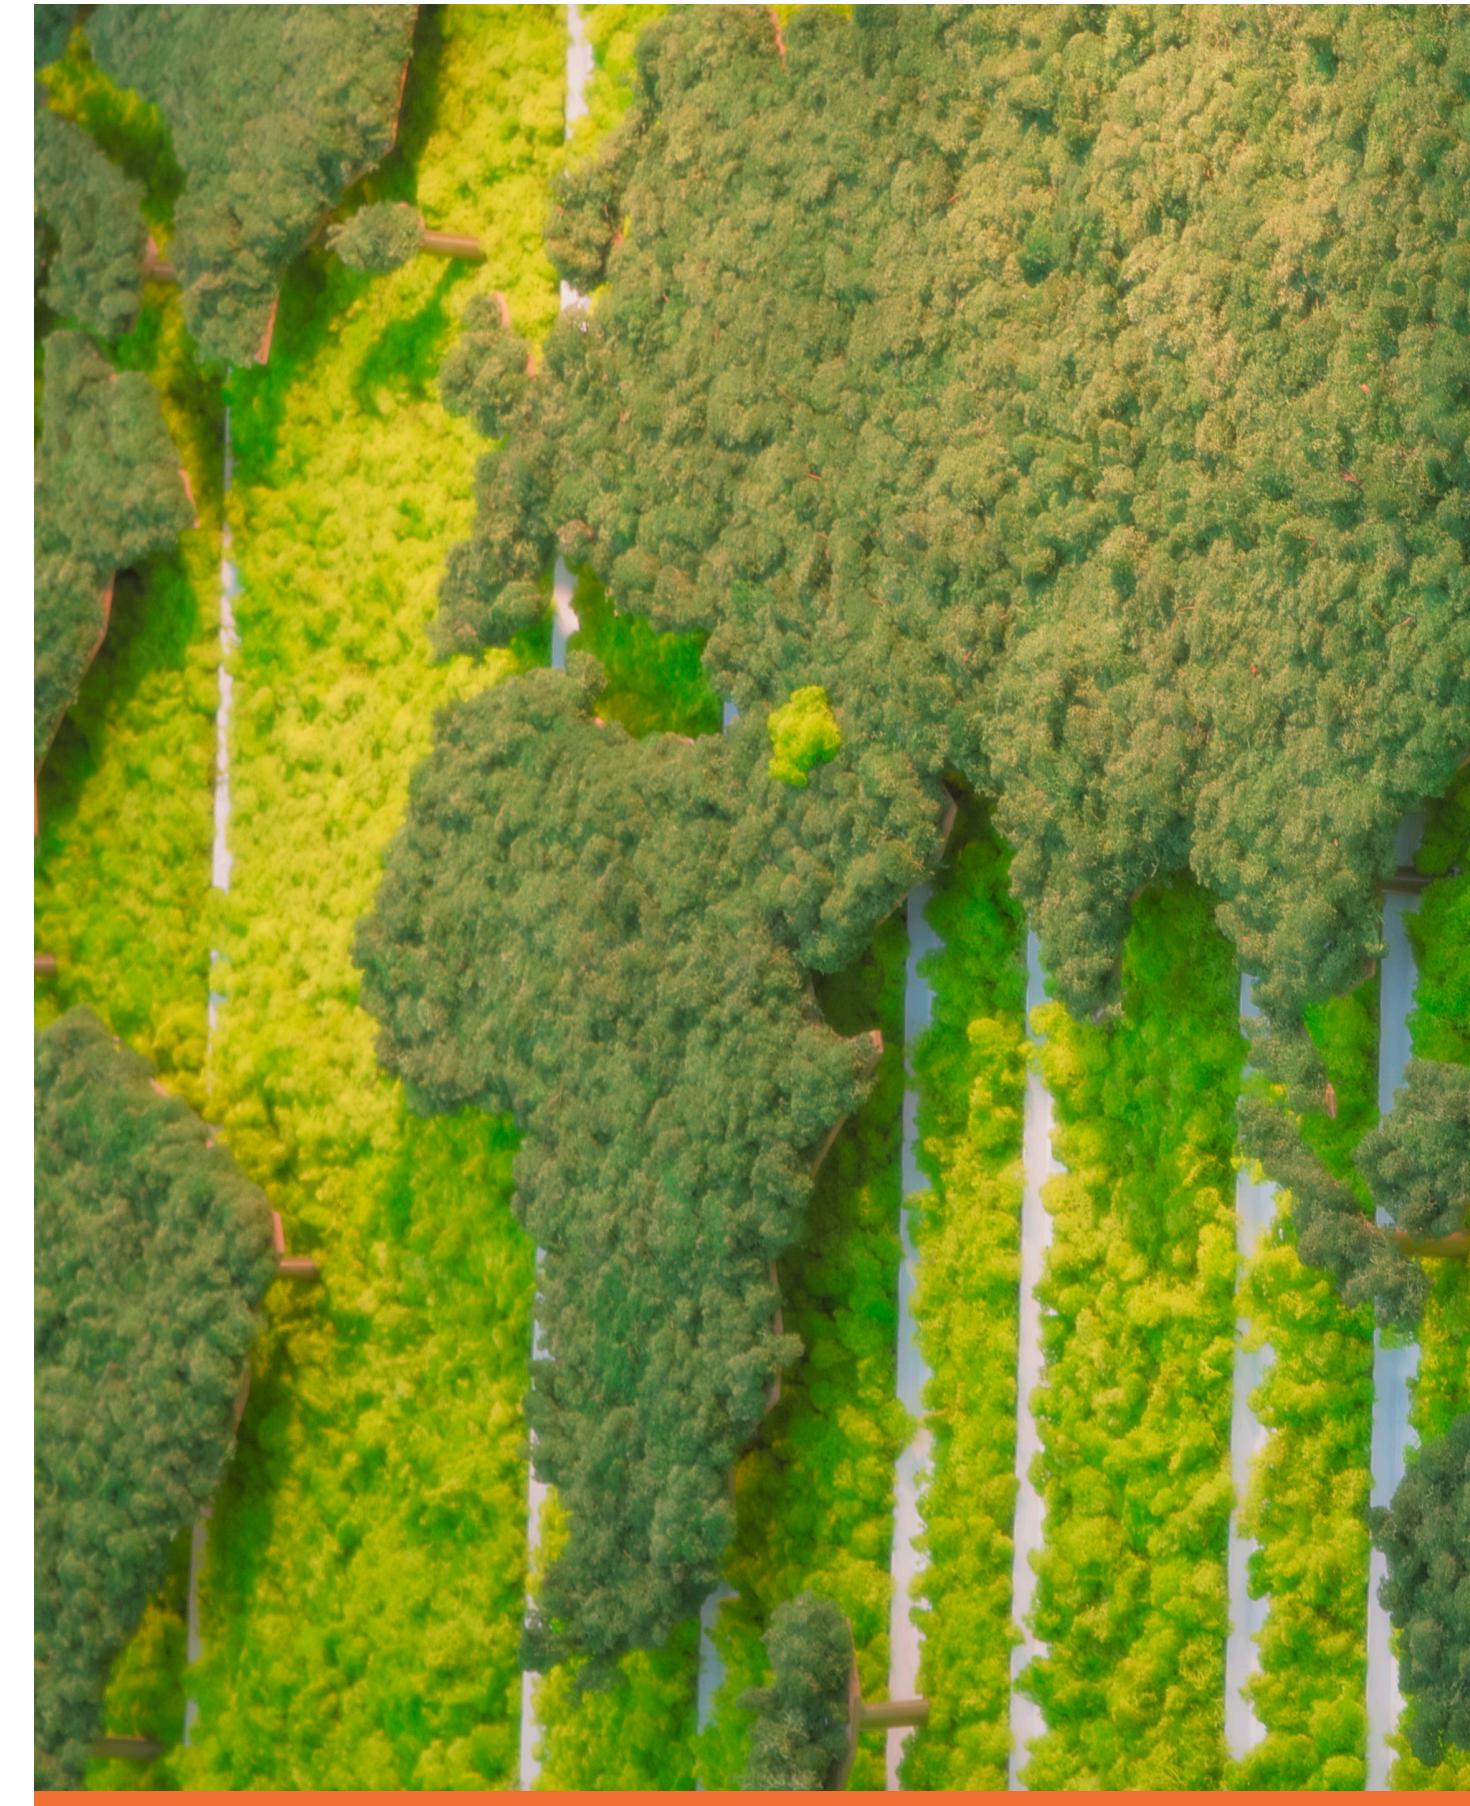

Our commitment to safety in the construction industry encompasses various initiatives, including comprehensive fall protection programs, on-site training, and educational programs.

We equip our employees and subcontractors with the necessary tools, knowledge, and resources to enhance safety, mitigate risks, and enhance loss control on every project we undertake. To ensure the highest levels of safety, our Safety Management Team, located at our head office, maintains a vigilant oversight on all active projects on a daily basis and conducts frequent site visits.

Our management regularly reviews health and safety procedures to ensure its alignment with the best and latest industry practices.

In addition to safeguarding the well-being of our workforce, we also prioritize environmental welfare. We take practical measures to minimize any adverse impact that our work may have on the environment.

By incorporating responsible practices, we strive to achieve a harmonious balance between our operations and the preservation of our natural surroundings.

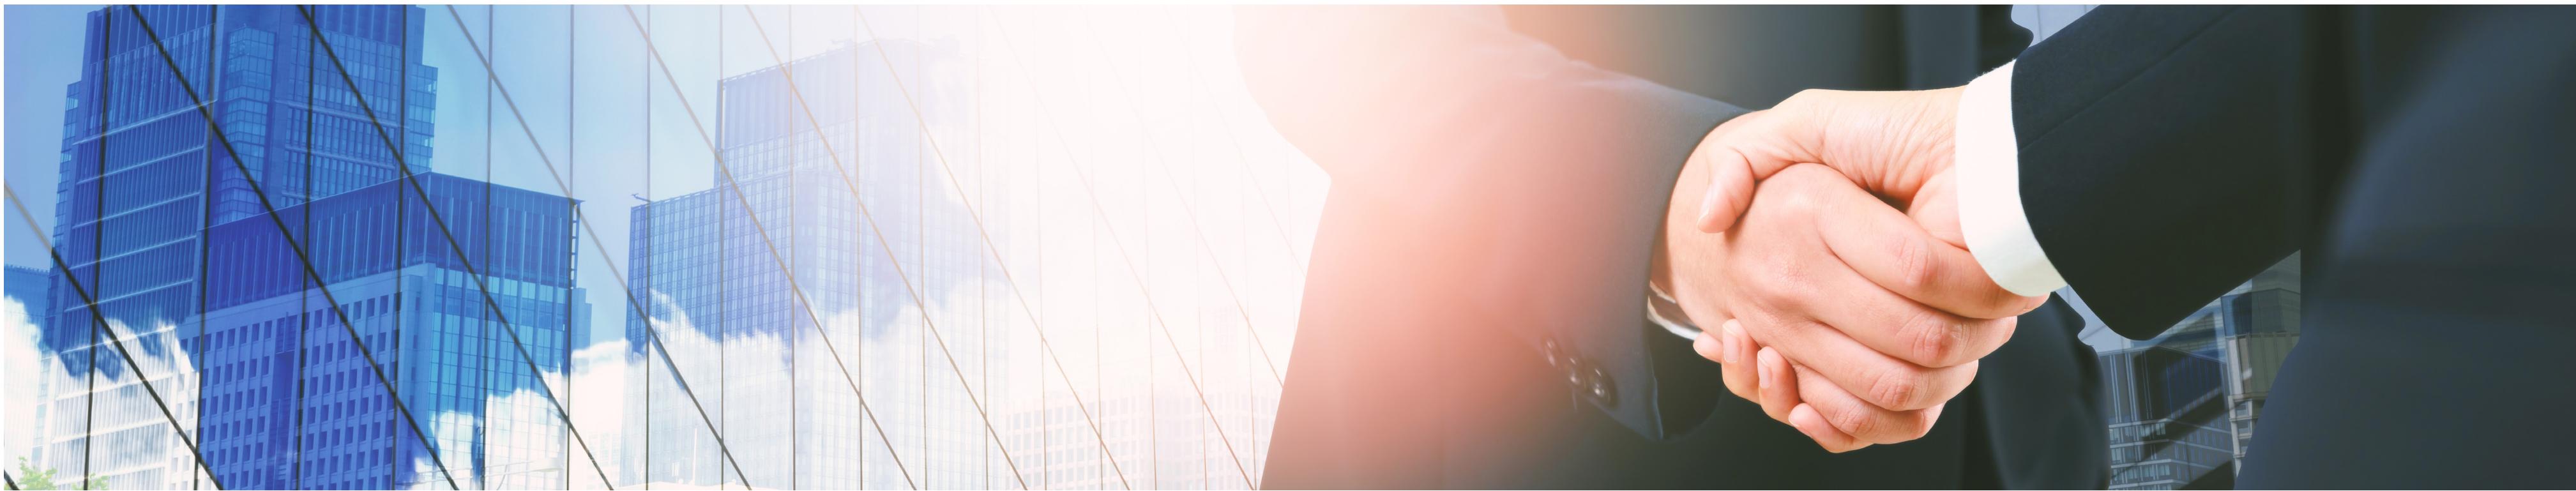

QUALITY

The achievements we have attained at Al-Badeel are a direct outcome of our diligent work ethic, technical proficiency, extensive experience, and unwavering commitment to upholding the most stringent quality assurance and quality control (QA/QC) standards.

We are proud to state that Al-Badeel is fully compliant with ISO 9001:2015 requirements, and our dedicated QA/QC team diligently follows a rigorous program of testing and inspection.

INTEGRITY & ETHICS

At Al-Badeel, we uphold the values of integrity and ethics in all aspects of our operations. We believe in transparency, conducting our business deals with honesty and openness.

We are committed to honoring our promises and treating everyone with respect, fostering a culture of trust and accountability.

LOYALTY & DEVOTION

Loyalty is a fundamental value that guides our interactions both internally and externally.

We prioritize the protection of the interests of all parties involved in our business, including stakeholders within and outside Al-Badeel. We strive to build long-term relationships based on mutual trust and cooperation, recognizing the importance of collaboration among various disciplines.

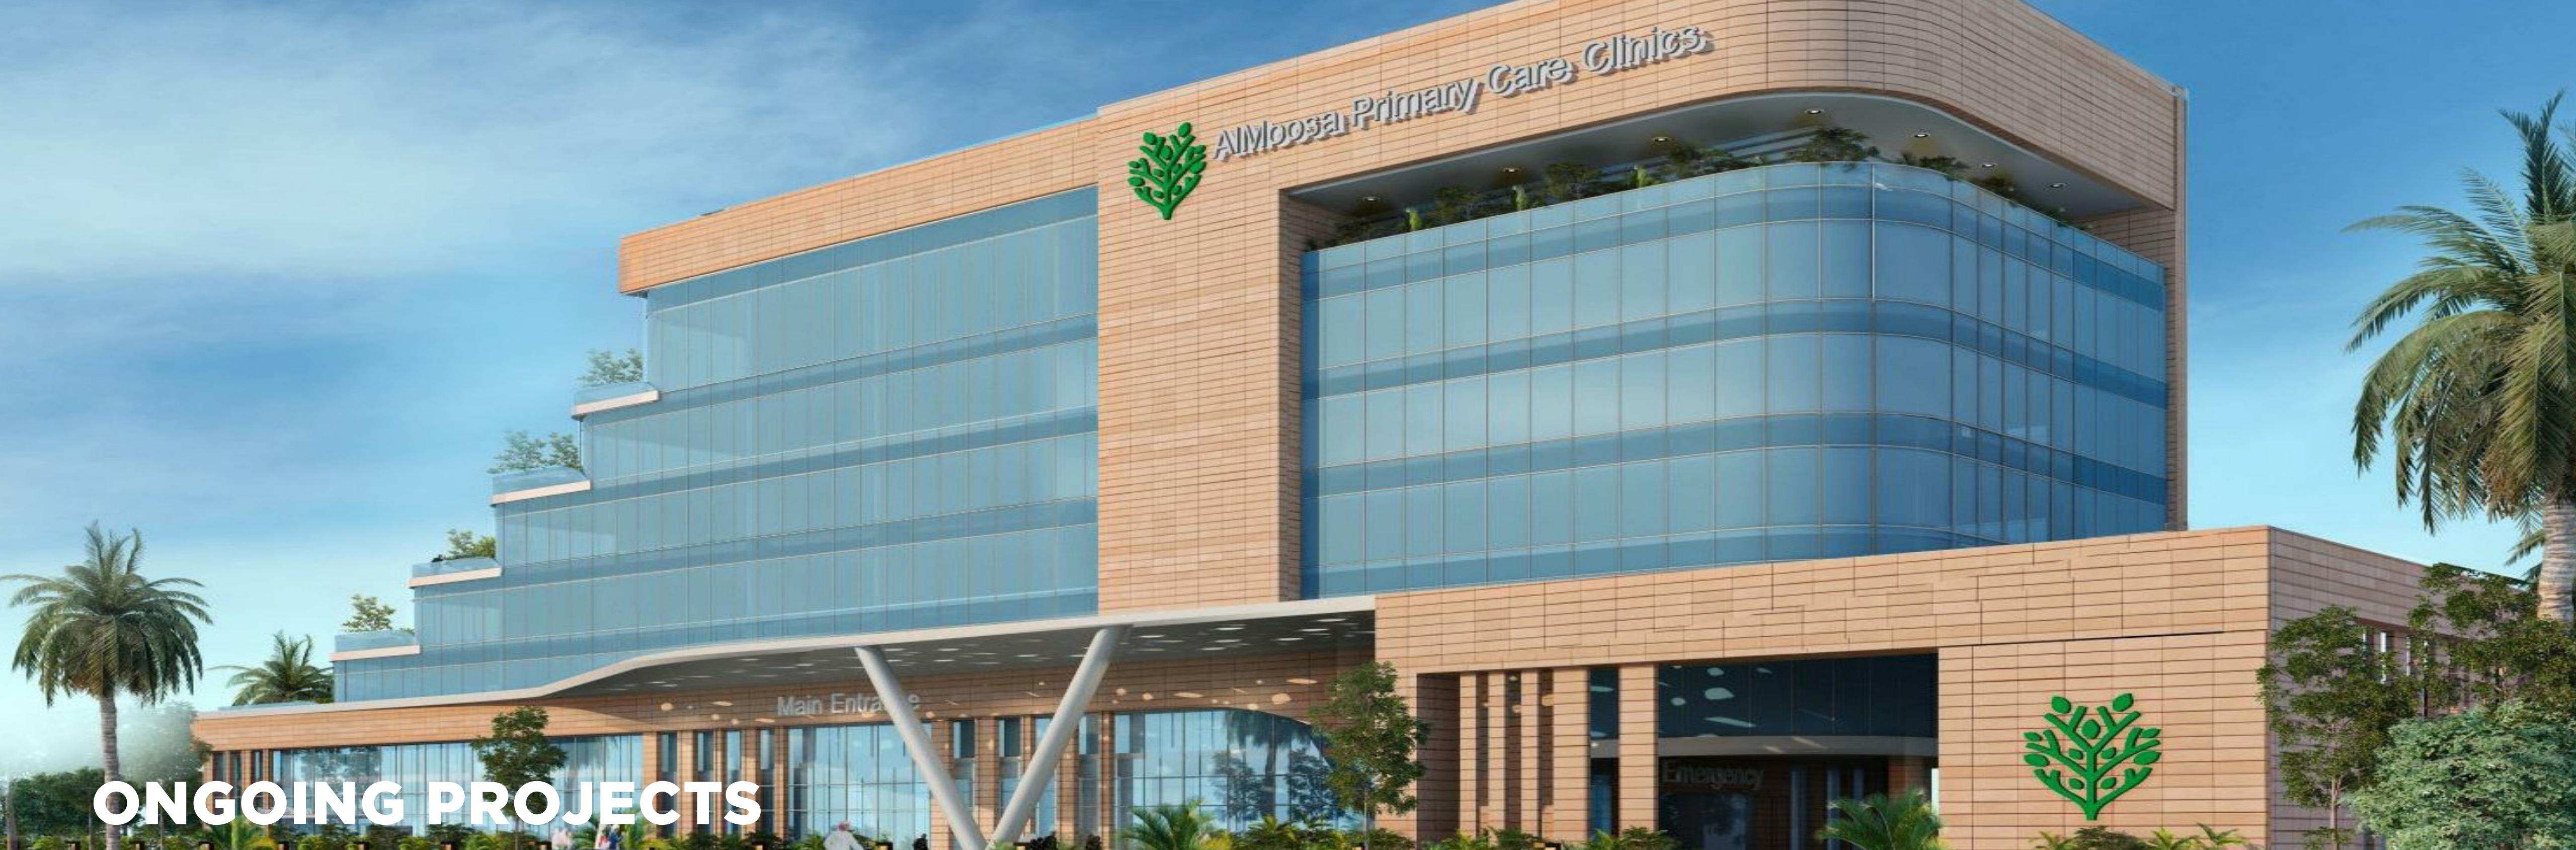

TRUST & COMMITMENT

Trust is the cornerstone of our relationships. We value and prioritize abiding by our commitments, consistently delivering on our promises.

We aim to foster solidarity and unity among our staff and third parties, creating an environment built on trust and reliability.
